Dear Robert,

Everything we do together, we do in the Name of Jesus. Everyplace we go, we go in His Name. Everything we have come to us by the provision in the Name of Jesus. Every life we touch is changed by the power of the Name of Jesus.

Jesus is Lord, and God has commissioned us under the authority of His all-powerful Name! We are, above all else, partners in ministry with Him.

Gloria and I love you and pray for you every day! Thank you for letting us hear from you. We are always grateful for your obedience to the Lord to sow your finances, your prayers and your faith into all we are doing together in the Name of Jesus. And, each day as we pray in His Name, we call in your hundredfold harvest on all of your sowing.

The Name of Jesus has everything to do with everything in this life of faith! Our day-in, day-out belief in and total reliance on His Name is key to receiving all that we ask of our Father, according to 1 John 3:22-23.

I believe "every" and "all" are a couple of God's favorite words. And, of course, "YES!" That's His purpose in committing to us the power in Jesus' Name. He knows He can trust us with all heaven has to give because we will believe the Name and faithfully use it to honor and glorify Him in the earth.

As you allow your faith to be strengthened by God's Word, know that our prayer team is standing in agreement with you for God's promises regarding your need. Our intercessors join with you expecting the prayer of agreement to bring to pass the desires of your heart. The victory has already been won in the heavenly realm.

Dear Robert,

Your partnership with God in giving into the uncompromised ministry of His Word and in living by that Word every moment of the day is changing your world. The Blessing in you is being poured out to bless lives everywhere you go.

What a privilege it is for Gloria and I and our family and staff to be partnered with you in this walk and ministry. Thank you for sowing your precious acts of faith and obedience to God's leading in regard to this ministry. And be assured of our confident agreement with you for God's superabundant return on every prayer and act of faith you have sown that every need and dream of your life will be met in Him.

This life of moment by moment active trust in the Word of God's love for us is manifesting His Glory and bringing in His end-time harvest. Hungry and hurting men and women are running to The Blessing of a God who really cares for and loves them.

Don't allow yourself to be robbed of one bit of the fullness of The Blessing God has both given to you and also empowered you to release into this world. Don't hold back--press in! The Blessing was on Joseph, even as a slave and prisoner, to attract prosperity and be a witness to God in a nation without Him. And it is on you to let His Glory shine in your world.

You are blessed with Jesus' Blessing. You are blessed with The Blessing. As you develop it by hearing the Word of God, sowing that Word into your heart and releasing it with your words and acts of faith, you walk as The Blessed. You take dominion over and subdue the earth, freeing it from the curse and creating a Garden of Eden wherever you go in faith and love.

Never, ever, underestimate the power of The Blessing that is in you and that you are as you release the Word and Love of God in your life. As you multiply and prosper, all those who come in contact with you are blessed.

Again, let me remind you how very deeply blessed Gloria and I are for the acts of
